

Senior Project

Questions to consider to assure that project will be approved:

1. Introduce yourself

2. Final Product

- What will you produce?
- How will you prove that it is your own work?

3. Fieldwork

- What do you plan to do?
- What do you hope to learn?
- How will help you with your final product?

4. Mentor

- Who will it be?
- How will they help/guide you?

5. Learning Stretch

- What don't you know now, that you will by this end of the year/project?
- How is this project challenging for you?
